Dear Dr. Nicoll-Griffith,

The Scientific Director and Staff of the Council for Tobacco Research, USA, Inc. have considered your request for partial support for the above noted conference. This meeting is in an area in which we have interest. Unfortunately, competition for research funds has meant that we are unable to fund a number of meritorious requests for support this year. Although we are unable to lend assistance for this particular function, we hope that you will not hesitate to contact us about funding of future meetings.

Sincerely,

George A. Hashim,
